

## Services

### An option to fit every need

You need a versatile approach to benefits that provides 24/7 benefit material and support, provides additional HR resources, and ultimately saves you time and money. By keeping services simple and efficient we can give you the extra time you need to focus on other aspects of your work. We are committed to providing you with convenient, reliable, and cost-effective benefit services.

#### Help Desk

You and your employees have questions. We can provide the answers through any one of our help desk options: in-person, over the phone, or online. Our consultants get results with fewer interruptions and administrative headaches for you, which equals cost savings for your institution.

#### eNewsletter

Employee education doesn't end when enrollment closes. Providing a quarterly eNewsletter keeps them informed about current issues that affect their benefit needs. An eNewsletter is another yet another tool we can provide your company to stay in touch with employees, while saving time and resources.

#### Benefit Website

We provide you with a personalized benefit site that contains up to date benefit program information educators need. From your benefit portal, employees will be able to access a dashboard of options including educational material, policy information, and our online enrollment software.

#### Digital HR Library

HR360 is the premier online HR library that provides a comprehensive 360 degree view of human resource and benefits laws both on a federal and state level. Whether you need a form, poster, the newest information on health care reform laws or state employment laws, we offer you the complete, 360 degree view of your HR information and forms needs. HR360 also provides a great range of online tools to help you manage your HR needs.
