

# ALL YOUR BENEFIT SOLUTIONS IN ONE SIMPLE PACKAGE

## What we do for benefits

Collateral Educator Services is a full service benefit provider specializing in educator benefits for K-14 institutions. We're a different kind of benefit provider because we have a unique approach to consulting, while providing everything you need in one location. Bringing together all the components of a benefit solution into one place saves your institution time, money, and resources.

### Products

Working with multiple carriers enables us to locate the best value products in each category. This enhances the products in your benefit program, while saving your institution time and money.

#### Package Options

- » Core
- » Voluntary
- » Retirement
- » Specialty

### Enrollment

Our enrollment process is quick, easy, and painless. You decide what you want and we do the work. A tailored enrollment experience ensures your educators understand their benefits instead of being pushed to buy a product.

#### Package Includes

- » Employee Education
- » Custom Enrollment Plan
- » Flexible Benefit
- » Election Methods

### Services

Add value to your benefit package with no direct cost to the institution with our comprehensive service package. Eliminate the expense and headache of providing a benefits program by letting us handle communications, the numerous employee questions, and much more.

#### Package Includes

- » Help Desk
- » Personalized Benefit Website
- » eNewsletter
- » HR 360 Access

### Administration

Relieve yourself from the burden of administering a benefit program by letting us handle your billing and compliance needs. A single destination for all your plan administration needs saves you time and resources. Plus you don't have to study up on the new rules every year!

#### Package Options

- » Consolidated Billing
- » 403(b)
- » 457
- » Cafeteria Plan
- » Cobra

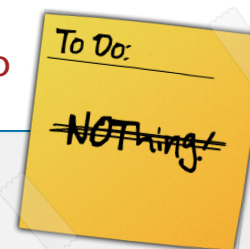

### Technology

With industry leading technology we help you offer and communicate a more robust benefits package that delivers higher employee satisfaction. Save your institution money by using our self-service online enrollment system.

#### Package Options

- » Online Enrollment System
- » Benefit Management System
